*At St Bernadette's we are fully committed to safeguarding our children. We expect all staff, parents and visitors to share this commitment.*

## COVID-19

Unfortunately, we are seeing an increase in the number of people testing positive for COVID-19 in the area and therefore request that all visitors to the school site wear a face covering to ensure the safety of the staff and pupils in school.

If your child is feeling unwell and you are unsure as to whether to send them to school, as you may think they have Covid, please refer to the following symptoms:

- a high temperature above 37.8c– this means feeling hot to touch on the chest or back (you do not need to measure the temperature)
- a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours
- a loss or change to your sense of smell or taste – this means not being able to smell or taste anything, or things smell or taste different to normal.

Please ensure that you **do not send your child to school if they have COVID-19 symptoms.**

Please ensure that as a family, you are testing twice weekly using LFD tests to limit possible transmission by people that may be asymptomatic. LFD test kits can be ordered online from <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

Other ways to get rapid lateral flow tests

You might be able to:

- collect tests from a pharmacy
- collect tests from a community centre, such as a library
- get a test at a site

**Find other ways to get rapid lateral flow device test kits on [NHS.UK](https://www.nhs.uk)**

### Get help with ordering

The values and virtues that we are focusing on this half term are **Learned and Wise**.

**Learned:** learning how God wants us to live our lives Whether we are young or old, we should never stop learning about what God wants of us. We learn many new things each day. By reading the Bible, listening to our teachers and listening to our hearts, we learn more of what God wants.

**Wise:** knowing how God wants us to live our lives and putting it into practice. God is always with us and hoping that we will live our lives in the right way, following the teachings of Jesus.

**What qualities does God want us to show in our everyday lives?**

He wants us to be kind, loving, respectful and trustworthy. He wants us to do as Jesus did.

## November is the month where we remember all those who have died

We always pray for those who have died and we do so with special devotion in November, the month of All Souls.

We will of course remember our little angel Darcy who passed away earlier this year and keep her in our prayers. You might pause for a moment and remember the names of those who have died for whom you want to pray. Then pray these words:

Peace be with those who have left us and have gone to God.  
 May they be at peace.  
 May they be with God.

May they be with the living God.  
 May they be with the immortal God.  
 May they be in God's hands.

May they sleep in peace.  
 May they live in peace.  
 May they be where the name of God is great.

May they be with the living God now and on the day of judgment.  
 May they live with God.  
 May they live in eternal light.

May they live in the peace of the Lord.  
 May they live forever in peace,  
 With God in peace.

## Reflection

### Thought for the Day

*A bird sitting on a tree is never afraid of the branch breaking because its trust is not on the branch but on its own wings. Always believe in yourself!*

### Applications for Reception September 2022

Parents who have a child ready to start school in September 2022 can apply for a place for their child via Birmingham City Council's website.

[https://www.birmingham.gov.uk/info/20119/school\\_admissions/1786/apply\\_for\\_reception\\_primary\\_school](https://www.birmingham.gov.uk/info/20119/school_admissions/1786/apply_for_reception_primary_school)

#### **The closing date for applications is 15<sup>th</sup> January 2022.**

### Attendance

It is essential that children regularly attend school, poor attendance has a serious and long lasting impact on your child. To promote and encourage good attendance we have published this week's attendance figures on the newsletter. Well done to the following classes that had the best attendance in their key stage. EYFS/ KS1 \_\_\_\_\_. KS2 \_\_\_\_\_

### Person of the Fortnight

Every two weeks we will be sharing information about a range of different important figures: scientists, athletes, musicians, etc. to help increase the children's aspirations, general knowledge and cultural capital. This week that person is Charles Dickens.

As a little boy, Charles was fascinated by everyday people and loved to make up stories about them. But when his father was sent to prison, Charles had to leave school and start work in a factory before he was even a teenager. He soon began writing and started on a path to become one of the most pioneering writers and publishers of all time.

## Inclement Weather

**If there is bad weather, and in the unlikely event that school needs to close, please listen to the local radio stations. The school texting service, school website and the school Twitter feed will also be used to inform parents. If you do not receive a text by 8am, then you can assume that school will be open as normal. If a blanket closure is announced by Birmingham City Council then we will close. Please note: School will complete a risk assessment of the site while making this decision, it is up to you as parents to risk assess your journey to school to ensure the children arrive safely**

## Charity Support Request – ‘Matt’s Mission Children’s Charity – Making Smiles Glow’.

Matt’s Mission Children’s Charity – Making Smiles Glow is a Birmingham based children’s charity that supports children with life threatening illnesses and severe disabilities by granting wishes, trips gifts and visits. They have previously supported our little angel Darcy during her illness and before she passed away. Minnie missionaries – children who help support Matt’s Mission – have requested some children’s drawings to help advertise this important charity. They would like children to produce a picture depicting what makes them happy. Children may use whatever medium they wish e.g. coloured pencil, crayon, chalk, pastel, paint etc. These pictures will then be displayed at Morrison’s in Sheldon on 20<sup>th</sup> and 27<sup>th</sup> November to help promote the charity. If your child would like to submit a picture to help support the charity, please return it to school with their first name and class on the back (do not include surnames) and the name of the school. As a thank you to those who submit pictures there will be a prize draw organised by the charity. **All entries will need to be submitted to school by Tuesday 16<sup>th</sup> November at the latest** as they will be collected by the charity.

### **Earth Ambassadors**

Welcome to our Earth! Starting this week, 16 years 6 pupils will be investing their time after school to learn how to make our world a safer, better place to be, now and in the future. Miss Corkery is developing the group according to their interests in the environment so the experience will be tailored to the pupils needs and wants. It is very exciting that we are able to be together to learn off each other how to improve our own local area and the world environment too.

### **Teachers for the Planet**

Miss Corkery asked teachers to answer questions about how they used their environment. While we all always have more to do to help improve our local and world environment, we are quite a green bunch! Out of the replies 100% of us recycle at home which is so important to do, as well as to reduce the amount of rubbish we produce. Many of us walk in local parks with friends and family, and some with our dogs. Out of the replies 80% of us think about the environment when we are shopping for food. So that means we choose loose vegetables rather than plastic wrapped, and maybe not buying crisps all the time as their plastic packets last for years in the ground. Every newsletter we will report how our teachers help protect the environment and we will share more ideas of how to be more eco-friendly. Let's do this together, teachers and pupils for the planet!

## Reporting a Pupil Absence

Please report your child absence on the school website. This can now be found using the following link: <https://www.stberns.co.uk/pupil-absence>. This method will allow school to have a written record of any absences and hopes to alleviate some of the congestion that occurs on the telephone lines when absences are reported.

**Please note:** If school does not receive a reason for a child's absence then the absence will be recorded as **unauthorised** and appropriate procedures will be followed in line with the school's attendance policy. Furthermore, if your child is attending a medical appointment during the school day please ensure that you present the appointment letter/ card to the office when signing the child in/out so that the reason can be recorded.

## The Color Catcher

I would like to share a piece of work written by some of our Year 5 children (Arees, Layton, Niah, Nathan, Riley, Essie-Mae, Sophia, Stanley and Shay) which has been inspired by Roger McGough's poem 'The Sound Collector'.

An imposter called this morning,  
dressed in a hot pink kind of way.  
Put every colour into a sack  
and carried them away.

The cherry red lady bug,  
the canary yellow bird.  
He's taking the colours,  
this is absurd.

The navy evening sky,  
the pale moon.  
He is stealing all the colours,  
even the gloom.

The red gaming set up,  
the gold, soft chair.  
He is collecting the colours,  
especially the rare.

The crimson red sunset,  
the ebony night sky.  
I have to save the colours,  
I have to try!

The silver metal kettle,  
the ice cold window sill.  
He is stealing all the colours,  
I hope they don't spill.

The light green and red apple tree,  
the white fluffy cloud.  
He is taking the colours,  
I need to shout loud.

The lava red sunset,  
the cobalt morning sky.  
He is collecting the colours,  
I need to say goodbye.

A mysterious man called this morning,  
he didn't leave his name.  
Left us only darkness,  
life will never be the same!
